For all opportunities in life, in all seasons, the Kipperhof has something to offer to you:

- Socializing in the bar room
- Cozy dining on the tasteful ground floor (capacity: 25 persons), or in the half-timbered top floor with a view of the otter valley (capacity: 40 Persons)
- Private parties in the age old wine cellar (capacity: 40 Persons).
- Relaxation on the idyllic patio (capacity: 150 persons).

The innovative and quality foods possess accents of the German and International kitchen. Healthy, fresh preparation of savory ingredients prepared in modern customs. Quality drinks of the region and regional wines and sekt of the palatinate are also served.
